

Apex Solutions Pvt Ltd - Q3 Meeting Transcript

Date: September 30, 2025

Location: Conference Room - 3B

Attendees: Aarav Mehta, Priya Sharma, Rohan Verma, Sneha Iyer, Karan Patel, Neha Gupta, Rahul Nair

Aarav Mehta: Good morning everyone, let's start the Q3 review meeting.

Priya Sharma: Good morning, Aarav. I'll begin with the financial overview.

Priya Sharma: Our revenue grew by approximately 11% compared to the previous quarter.

Rohan Verma: That's a solid improvement. What were the major contributors?

Priya Sharma: Increased sales in our subscription services and better retention rates.

Sneha Iyer: Marketing campaigns played a big role in boosting subscriptions.

Karan Patel: Yes, especially the digital campaigns targeting younger users.

Neha Gupta: Customer feedback has also been positive regarding our new features.

Rahul Nair: From an operations standpoint, we improved delivery timelines by 14%.

Aarav Mehta: That's great to hear. Any bottlenecks we faced?

Rahul Nair: Some delays occurred due to vendor issues, but they were resolved quickly.

Rohan Verma: On the product side, version 2.1 rollout was successful.

Sneha Iyer: We received good engagement metrics post-launch.

Karan Patel: User activity increased by nearly 18% after the update.

Neha Gupta: Customer support tickets reduced by 9%, indicating better product stability.

Aarav Mehta: That's a positive sign. Any critical issues still pending?

Neha Gupta: A few minor bugs, but nothing major.

Priya Sharma: Expenses rose slightly due to increased marketing and infrastructure costs.

Aarav Mehta: Are these costs sustainable?

Priya Sharma: Yes, considering the revenue growth, they are within limits.

Rohan Verma: We are planning a minor update in early Q4 to address user suggestions.

Sneha Iyer: We'll align marketing campaigns with that release.

Rahul Nair: Logistics team is working on further improving supply chain efficiency.

Karan Patel: We should also consider expanding to tier-2 markets.

Aarav Mehta: That's a good suggestion. Let's evaluate feasibility.

Neha Gupta: Training sessions for new employees were completed successfully.

Priya Sharma: That should help improve productivity going forward.

Aarav Mehta: Let's continue focusing on growth and customer satisfaction.
